WEDNESDAY, FEBRUARY 16, 1910

MR. BAILEY AND THE INCOME TAX AMENDMENT.

Senator Bailey, of Texas, made a speech a few days ago strongly ad- been shouting from the stump for the vocatiris the proposed income tax amendment to the constitution of the United States. The senator is quoted their progress by holding to the politias saying that if the people are re-Heved of the burden imposed by the Republican tariff, the federal govern- Republican ticket and lend our supment will have to rely upon the income tax for a considerable portion of he revenues, and that consequently it is all important that a sufficient number of the states should ratify the Independence ticket? The sensithe amendment in order to make It ble man in the South as well as the

The government does not need the an income tax now, and there is no the country has at this time for salment really needs a certain amount to spend, when that certain amount reprepresents the appallingly extravagant annual expenditure of the Republican administration during the past tew The government does not actnally need all of the money that 48

great if not greater than is yielded by the Aldrich-Payne schedules? The run into fail. cent, on wool, for instance, probably would not put as much money in the the public treasury, coming and go-federal treasury as a tariff of 60 per eent. A grocer may price his better tion, to official robbery, to the dealer eent. A grocer may price his better tion, to official robbery, to the dealerent of the character of the agents of at one dollar a pound, but if nobely justice." buys the dollar a pound price keeps

approval. Governor Hughes, of New York, who is an advocate of the in- all crimi come tax projesition, some time ago attention to the fact that the amendment would permit the federal govern. ment to levy a tax upon the bonded

der to the federal government any war on this system for years and will stable not already given by the state continue to do so cutil it has been en or takes from it, unless it were ton leplain beyond peradventure that such a step were absolutely essential to the welfare and pr gress of the country.

the collaion that the Bert eviter bill designed as Commissioner Lee save to "straighten and define" the lines of and other critics and again votcing would turn natural oyster rock at Brown's Shoal and elsewhere in James river over to the private planter, said:

What we would like to know is: First, What authority the Agreembly has to turn out of the peb-lic grounds any natural 1 ck that 18 even moderately, let alone 'densely' productive—even so much as one square inch? The language of the Constitution, the erganic law of the State is aligh and specific on 184 State is plain and specific on this point. It reads:

"The natural oyster beds, rocks and shoals in the waters of the state shall

elsewhere cutside of the new lines. This means that the tocks are to c-One Month 50
Three Months 125
Six Months 250
One Year 5.00

This means that the tocks are 10 ce held in trust for the benefit of the people of the State" no lenger. How do Commissioner Lee and the other advocates of the Byrd bill propose to

> between that paper and the Daily Press, said something to the effect that The Landmark believed the State ought to give the plan of renting som of the natural rock to planters a trial. Does The Lankmark believe this ought to be done in spite of the constitutional prohibition?

John Temple Graves, new editor of lants. Ga., Monday that the time had come for the South to "broaden" its political views and-repeating what Republican campaign cratora have past twenty-five years-declared that the Secthern states are hindering cal faith of their fathers. What would Rejublican ticket and Icnd our support to Aldrich and Cannon? Or does he ask that we join Mr. Graves' employer, Healts, and throw away our votes upon some nebody running on the Independence light of t Mr. Graves want us to do? Vote the votes upon some nobody running on the Independence ticket? The sensitive ble man in the Scuth as well as the Democrats and thinking independents of the North will do neither of these things. They know that the only hope the country has at this time for salvation from the "interests" lies in the Democratic party. And they will the Democratic party. And they will great companies, which would mean the Democratic party. And they will great companies, which would mean revenue that would be derived from things. They know that the only hope season for supposing that it will need varion from the "interests" lies in it when the evils of the tariff have the Democratic party. And they will been corrected. In the first place it vote the Democratic ticket in the is not fair to say that the govern- coming congressional and presidential
